Chapter 10: Challenge Problems Answer Sheet
While- and Do-While Loop Output Prediction

Use this page to record your answers to Challenge Problems 1-16 from Chapter 10. Write the output of each problem in the appropriate Serial Monitor. If the loop produces no output, record "no output" in the window. You may use your notes, old code, and textbook for assistance.

Problem 1	**Problem 2**	**Problem 3**	**Problem 4**

Problem 5	**Problem 6**	**Problem 7**	**Problem 8**

Problem 9	**Problem 10**	**Problem 11**	**Problem 12**
