Chapter 11: INTENSIVE Challenge Problems (no If-Then) Answer Sheet
For-Loop Output Prediction

Use this page to record your answers to the intensive **Challenge Problems 1-11 from Chapter 11**. Write the output of each problem in the appropriate Serial Monitor. If the loop produces no output, record "no output" in the window. You may use your notes, old code, and textbook for assistance.

Problem 1	**Problem 2**	**Problem 3**	**Problem 4**

Problem 5	**Problem 6**	**Problem 7**	**Problem 8**

Problem 9	**Problem 10**	**Problem 11**
